TUFFlex Color & Specialty Stretch Film

The TUFFlex™ brand offering includes stretch film products that provide enduring performance, maximum efficiency and unmatched value. Our full suite of stretch films offers the best quality and selection for your most demanding applications. Veritiv® packaging specialists can help you optimize your stretch wrapping process.

Premium Color Hand Film is recommended for product concealment, identification, and outdoor storage, and is ideal for light sensitive products. It also has excellent force to load capabilities and superior puncture and tear resistance with enhanced cling.
