

The header features a large, stylized green and blue graphic on the left side, resembling a checkmark or a downward-pointing arrow. The background is a photograph of a government building with classical columns and a large American flag flying in front of it. The text "GOVERNMENT SOLUTIONS" is overlaid in white, bold, sans-serif font on the right side of the image.

GOVERNMENT SOLUTIONS

Team up with Veritiv®, a leading provider of facility solutions, to reap the benefits of our contracts with the Commonwealth of Pennsylvania for facility supplies and equipment. These contracts provide the highest standard of excellence and best value for all state agencies and political subdivisions.

BENEFITS:

- Gain access to the best facility supplies and equipment from top brands
- Eliminate burden of public bid process—save time, improve quality and achieve cost savings
- Maintain compliance with procurement policies and guidelines
- Local distribution and customer service
- E-commerce ordering system to simplify procurement, customizable and available 24/7

HOW WE HELP:

- Experienced advisors to design tailored cleaning, safety, and hygiene programs that create a safe and healthy environment, reduce waste, boost productivity, and produce sustainable results
- Local expertise, training and support
- Cost analysis

SOLUTIONS FROM BRANDS YOU TRUST:

We maintain strategic sourcing relationships with industry-leading suppliers and brands, granting you access to what you need, when you need it. We offer the essential cleaning solutions that leave employees and customers feeling good about their business—all without breaking the budget.

SUSTAINABILITY:

Veritiv is a leading sustainable distributor—from source to solution. We offer a variety of sustainable products that are certified by third parties like UL for ECOLOGO®* and Green Seal™, and we'll deliver them to you in a responsible manner. In doing so, we'll help you meet your sustainability goals. You'll also reap the benefits of our exclusive EcoScore™ tool that tracks your LEED® progress and other responsible products and procedures.

* Our ECOLOGO Certified products are available on <https://spot.ul.com/>
